Important: It's time to review your health coverage. Take action by December 15, 2020, or you'll be automatically re-enrolled in the same or similar coverage. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing Health First Commercial Plans, Inc. for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

Your health coverage is still being offered in 2021, but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one. Also make sure to update your information with the Exchange.

Changes you'll see to your plan in 2021

Your new premium

- Your 2020 monthly payment is \$59.93.
This reflects a monthly premium of \$1,067.93 minus \$1,008.00 of financial help per month.
- **Your new monthly payment (starting in January) is estimated to be \$790.40.**
This reflects an estimated monthly premium of \$1,190.40 minus \$400.00. **However, your financial help may be different next year.** You'll see your new monthly payment when you receive your January bill.
Important: This estimated monthly payment is based on current information we have for 2020. It might not account for some or all changes that could impact your amount of financial help, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly payment, update your Exchange application. See below for more information.

What you need to do

1. **Update your Exchange application by December 15.**
Review your Exchange application to make sure the information is still current and correct, and to see if you qualify for more or less financial help than in 2020. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.
2. **Decide if you want to enroll in this plan or choose another one.**

I want to enroll in this plan.

Update your Exchange application information, and then select **AdventHealth Gold HMO 80 1772** and **36194FL034000601** to enroll.

I want to pick a different plan.

You can choose a different plan between November 1, 2020 to December 15, 2020. Enroll by December 15, 2020 for coverage to start January 1.

Here are some ways to look at other plans and enroll:

- Visit [Healthcare.gov](https://www.healthcare.gov) to see other Exchange plans. Consumers who shop can save hundreds of dollars per year and can find a plan that best meets their needs and budget.
- Check with Health First Commercial Plans, Inc. to see what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through the Exchange.

Note: If you got financial help in 2020 to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during 2020 with the amount you actually qualify for based on your final 2020 household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.
